

# Local Government Pension Scheme (LGPS) Employer Policy Statement

The current LGPS regulations, which came into effect from 1 April 2014, require each scheme employer within the LGPS to formulate, publish and keep under review a statement which sets out their policy on certain discretions which they have the power to exercise under the LGPS regulations.

**This is the formal employer policy statement of:**

*The Employing Board for the Bedford Group,  
the Bedfordshire and River Ivel Internal  
Drainage Board*

Date of publication of this policy:

**18 October 2022**

Effective date of this policy:

**17 October 2022**

This statement will be published on the Bedford Group of Drainage Boards website and will also be available from other sources such as the intranet site, staff groups, trade unions and Human Resources personnel.

This policy applies to prospective members, current contributory members, deferred pensioner members and pensioner members of the LGPS, and their dependants.

## LGPS Regulations

Where quoted, regulations refer to The Local Government Pension Scheme Regulations 2013 or The Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.

For certain employers, reference may also be made to the following regulations:

- The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2000
- The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 (as amended)
- The Local Government (Discretionary Payments) (Injury Allowances) Regulations 2011

This policy statement will be reviewed and may change from time to time. It does not give any form of contractual rights for LGPS/staff members. LGPS/staff members should ask the employer named above for the latest version of this document before making any decisions in respect of retirement provisions. Only the version of this policy statement which is 'current' at the time an event occurs will be applicable for the purposes of determining LGPS benefit entitlement.

This statement should be read alongside information about the benefits provided by the LGPS, available on the Bedfordshire Pension Fund website.

In formulating and reviewing this policy, the employer named above must have regard to the extent to which the exercise of its discretionary powers could lead to a serious loss of confidence in the public service.

The Employing Board for the Bedford Group, the Bedfordshire and River Ivel Internal Drainage Board will ensure that the discretionary powers are exercised reasonably. Where a cost is incurred, the policy will only be used when there is a future benefit to the employer for incurring the extra costs that may arise or be associated with the discretion. The Bedfordshire and River Ivel Internal Drainage Board will ensure that, where exercised, any discretions that incur additional costs will be applied and recorded as appropriate.

| <p><b>Whether to “switch on” the 85-year rule for a member voluntarily drawing benefits on or after age 55 and before age 60 (excludes flexible retirement)</b></p> | <p>TP Sch 2 para 1(2) &amp; 1(1)(c) &amp; 1(1)(f) and R60</p> | <p>Where a scheme member leaves employment and elects to draw their benefits at or after the age of 55 and before the age of 60 those benefits will be actuarially reduced unless their Scheme employer agrees to meet the full or part cost of those reductions as a result of the member otherwise being protected under the 85 year rule as set out in previous Regulations.</p> <p>So as to avoid the member suffering the full reduction to their benefits the Scheme employer can ‘switch on’ the 85 year rule protections thereby allowing the member to receive fully or partly unreduced benefits but subject to the Scheme employer paying a strain cost to the Pension Fund.</p> <p>The employer can also exercise a discretion (see below) to waive any actuarial reductions (including where an actuarial reduction may still be applied to a member’s benefits after ‘switching back on’ the 85 year rule in full), at a cost to the employer.</p> |
